

Volunteers Wanted!

nourish.NJ
feed lives . fuel futures

VITAL VEGGIES

Everyone in our community deserves access to nutritious, culturally relevant food. nourish.NJ offers a variety of products every day, for anyone in need.

HOW YOU CAN HELP?

1. Organize a fundraiser to help nourish.NJ purchase products.
2. Select one or more products from our commercial supplier's list to be paid for by your fundraiser. We will place the order.

THROUGH OUR VITAL VEGGIES PROGRAM

Youth gain leadership skills and confidence as they learn the importance of community, creativity and caring for others. Students also learn how non-profits function - and the value of purchasing in bulk commercially!
