

Walking Day Discussion Questions

We invite you to consider the following questions as you Walk for nourish.NJ. Participants are encouraged to use these questions as a prompt to start a dialogue surrounding homelessness, hunger and poverty. Feel free to refer to as many, or as few, questions as you wish.

1. Did anything surprise you about the guest testimonies you heard in the video?
2. When you imagine someone who is experiencing homelessness, hunger and/or poverty, who and what do you envision?
3. Have your thoughts on homelessness, hunger and/or poverty changed after watching the video? If so, how?
4. How would it feel to be in a position where you had to choose between paying rent and putting food on the table?
5. What role do you think community plays in creating lasting solutions to homelessness, hunger and poverty? Why and how?
