

BACKPACK AND SCHOOL SUPPLIES DRIVE

Help local children in need prepare
for the new school year!

NOURISH.NJ

These are challenging times. Who knows if students will be in classrooms or learning from home? We have 300 young scholars whose families cannot afford food so new school supplies and academic success are a distant dream. But YOU can help that dream take flight.

BACKPACK AND SCHOOL SUPPLIES DRIVE

Collecting now thru September 3

Purchase new backpacks and then fill 'em up with all the necessary - and fun! - supplies a young scholar needs to excel in school.

This year is unprecedented so schools do not have Back to School shopping lists. We leave this up to you - our smart, dedicated volunteers to decide for yourselves what you think students might need. But with this test, there are no wrong answers! All new school supply donations will be so greatly appreciated.

Students are entering grades K - 12. Unisex is best! Please use our easy SignUp Genius link to let us know how many students you will be helping and for drop-off details.
